

**The Biblicist Series: Volume One – An Introduction to the Bible
This set of 3, two-hour DVDs will be available soon!**

This 3 DVD set presents Fr. Bill Burton, OFM, offering a general introduction to the Bible in six sessions. Each 1-hour session provides important background information from current Roman Catholic scholarship for understanding both the Old and the New Testaments.

These six sessions cover a number of topics: the geography and history of the region, linguistic issues for understanding the text, the importance of the Temple in Judaism, the rise of Hellenism, the worldview of the New Testament, including the Jewish and Hellenistic worlds that Jesus both comes from *and* confronts, and much more.

In over six and a half hours of lectures; using maps, diagrams and photos, the viewer will learn important background information for understanding the Bible.

His presentation is brilliant, down to earth and entices listeners to seek more.
